### METALS CONTENT INFORMATION

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.htm>

**SHAKE WELL BEFORE USING**

**DO NOT REUSE CONTAINER**

### GENERAL INFORMATION

**FIRST CHOICE HAYBOOST II** is a premium balanced nutritional blend designed to supply essential plant food nutrients to alfalfa hay and other forage crops. Apply **FIRST CHOICE HAYBOOST II** to maximize yield and quality.

### DIRECTIONS FOR USE

**FIRST CHOICE HAYBOOST II** should be applied either through irrigation, or as a broadcast foliar application, in sufficient water for coverage. Consult your Western Farm Service Crop Consultant for proper application recommendations.

### APPLICATION RATES

Apply **FIRST CHOICE HAYBOOST II** once re-growth is evident, at a rate of 2.5 to 5.0 gallons per acre in sufficient water for coverage. Applications can be made on re-growth of alfalfa and other forage crops after each cutting. Applications may also be made prior to first cutting once dormancy has broken and plants are actively growing.

### INCOMPATIBILITIES

**FIRST CHOICE HAYBOOST II** may be mixed with most liquid fertilizers. Do not mix with any calcium-based product such as **FIRST CHOICE RECOVERY** or **FIRST CHOICE CALMAX**. Always perform a jar test before mixing.

### CONDITIONS OF SALE

Seller warrants that the product conforms to the chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty, nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use, storage or handling of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. These risks include, but are not limited to, damage to plants, crops and animals to which the material is applied, damage caused by drift to the other plants or crops, and personal injury.
